Register for Course

Ungraded knowledge checks are distributed throughout the content to provide students with immediate feedback about their level of understanding in each topic. Graded multiple choice questions are provided at the end of each course. 75% of these must be answered correctly to complete the course. After three unsuccessful attempts to do so, the course will be marked as unsuccessful.

You must be on a .mil domain to register for a DAC course. Once registered, courses hosted on the Army Training Information System (ATIS) site may be completed on any computer with an internet connection and CAC reader. If you receive a 'User not found' error when trying to log in to the ATIS site to complete training, please email usarmy.mcalester.usamc.mbx.dac-atrrs-registrar@army.mil and include in the email a list of the required courses.

Personnel who require sponsorship (e.g. Non-US Citizen DA Civilians, Foreign Military with or without a CAC, and Guest Users without a CAC) to take training on the ATIS must request sponsorship approval in the ICAM system. You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.

- At any time, the USG may inspect and seize data stored on this IS.

- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.

- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.

- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.
